### Our Share the Plate: Union of Concerned Scientists

The Union of Concerned Scientists is a national nonprofit organization founded over 50 years ago by scientists and students at the Massachusetts Institute of Technology. They are approximately 250 scientists, analysts, policy experts and strategic communicators dedicated to the use of rigorous, independent science to solve our planet's most pressing problems. Joining with people across the country, they combine technical analysis and effective advocacy to create innovative, practical solutions for a healthy, safe, and sustainable future.
